Table with 6 columns (Term 1-6) and 1 row (TOTAL) for entering total net tuition per term.

You can access an additional personalized data sheet by visiting Husson University's Net Price Calculator online at https://www.husson.edu/financial-aid/NetPrice/. More financial information can be found at the NCES College Navigator site https://nces.ed.gov/collegenavigator/. The estimated costs you receive are for one year, please multiply the estimated costs by the number of years it will take you to complete your program in order to get the estimate of the overall cost of the program.
