

# YOUR 2024-2025 FINANCIAL AID OFFER

## — IMPORTANT INFORMATION —

### Paperwork Requirements

Financial aid will not be disbursed to your student account until all required paperwork, including verification documentation, is received and processed. Please note that your financial aid is subject to change due to a variety of factors, including the number of credit hours you enroll in for each term.

### Understanding Your Aid

Federal Pell Grants are offered to students based on financial need. Your financial need has been calculated based on the cost of attendance minus your Student Aid Index (SAI) from your FAFSA.

Maine State Grant is offered based on state guidelines.

Federal Direct Loans are guaranteed student loans, with the Department of Education as the lender. For more information, please go to [studentaid.gov](http://studentaid.gov).

### Midpoint Review Requirements

Financial aid for online students is processed on a Borrower-Based Academic Year, meaning aid is disbursed by term.

Undergraduate students who receive financial aid must complete a minimum of 21 weeks of instruction and 12 credits at the end of 3 terms. After every 3 completed terms, the Office of Financial Aid must review students to make sure they are meeting this minimum standard in order to continue to receive financial aid.

Graduate students who receive financial aid must complete a minimum of 21 weeks of instruction and 9 credits at the end of 3 terms. After every 3 completed terms, the Office of Financial Aid must review students to make sure they are meeting this minimum standard in order to continue to receive financial aid.

Avoid losing your aid by working with your advisor to ensure that you are enrolled in the correct number of credits.

### Additional Resources

If you need to secure additional funds to help cover your balance, there are a variety of options available from both private and federal lenders. Information on private loan options is available at

[www.elmselect.com](http://www.elmselect.com). Information on federal PLUS loans is available at [www.studentaid.gov](http://www.studentaid.gov).

Education expenses are easier to pay when spread over predictable, interest-free monthly payments. This option, offered in partnership with Nelnet Campus Commerce for a small fee, is an alternative to large annual or term payments and helps limit borrowing. To enroll, go to [www.mycollegepaymentplan.com](http://www.mycollegepaymentplan.com).
