

OFFICE OF FINANCIAL AID

Satisfactory Academic Progress Warning Acknowledgement

Based on a review of your recently completed semester, we are notifying *you that you are not meeting the minimum standards of Satisfactory Academic Progress (SAP)* that are required in order to continue to receive financial aid. SAP is based on two criteria that you must meet to keep your financial aid: Cumulative Grade Point Average (GPA) requirement for your grade level, and Completion Rate. Your Completion Rate is based on how many credits you attempt and how many of those you complete. Both are further detailed in the enclosed policy.

You are being placed on Satisfactory Academic Progress (SAP) Financial Aid warning.

What You Must Do Now:

- **Please review the enclosed Satisfactory Academic Progress Policy** required in order to qualify for financial aid. Progress toward degree completion is reviewed at the end of each semester for all aid recipients using these standards.
- **Sign, and return this notice to the Office of Financial Aid** in order to continue to receive financial aid. *Please note you will not receive financial aid for the current semester until this completed form has been returned to our office.*

Please note: If you fail courses or withdraw from courses in upcoming semester(s), this will further damage your completion rate and you could lose your financial aid eligibility. Please be sure to use the Add/Drop period at the beginning of each semester to determine if you are able to complete the courses you sign up for to ensure that you do not lose financial aid in the future.

Tutoring services and academic support available to students at the *Office of Student Success*. Please contact that office at 207.941.7128 if you would like assistance.

If you have questions regarding your financial aid eligibility, please contact our office at 941.941.7156 or by email at finaid@husson.edu.

Sincerely,

Husson University
