Dear Dr. Fernandez:

Thank you for the thorough accreditation review of the MS in Clinical Mental Health and MS in School Counseling programs at Husson University.

We acknowledge receipt of the site review team's report (05/03/2023) and accept it as written with all standards met. We appreciate the suggestions made by the team.

As requested, we are also returning the requested CACREP Board-prescribed Digital Delivery Substantive Change Report detailing digital delivery methods currently in use in the counseling programs.

We look forward to receiving notice of the CACREP board's decision in July of 2023 regarding the accreditation of our programs under 2016 standards.

Sincerely,
