The Family Educational Rights and Privacy Act (FERPA) is a federal act that affords students of higher learning certain rights with respect to their education. It is the policy of the Husson University to follow those guidelines to protect the privacy of students. Once students become part of our community, they will be treated as adults. It is their responsibility to keep you informed of their activities and their academic progress. Please be advised that in accordance with FERPA rules and regulations Husson University **does not:**

1. Release information to parents about grades or academic progress without the written consent of the student.
2. Release information to parents about Honor Code or student conduct violations and/or sanctions without the written consent of the student.
3. Release information to parents about the student's whereabouts or social activities without the written consent of the student.
4. Release information related to a student's health or counseling record (also covered under HIPAA: The Health Insurance Portability and Accountability Act) without the written consent of the student.
5. Notify a parent or legal guardian when a student is withdrawn or put on a leave of absence from the University.

Husson **may** contact parents under the following circumstance:

1. When the staff has ongoing concerns about a student's well being, or is concerned that a student presents a threat to her/him self or to others.

If your student wishes to waive her/his rights under FERPA, s/he can fill out the FERPA Student Release form attached to this information. Alternatively, a parent or guardian may seek access to the academic records if the student is declared as a dependent and attached to the form is a signed copy of pages 1 & 2 of the most recent Federal Income Tax Form 1040. (Please see Part B on the FERPA release form.)

The following student rights are covered by FERPA and are afforded to all eligible students of the University:

1. The right to inspect and review the student's educational records.
2. The rights to request the amendment of the student's education records that the student believes are inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

4. The right to notify the University in writing if the student does not want any or all of the information designated as directory information to be released internally or externally. (Please see Part C of the Release Form)
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Husson University to comply with the requirements of FERPA.

Without the consent of the student, releases to third parties may be given only as follows:

1. To federal officers as prescribed by law.
2. As required by state law.
