Student Email

All financial aid communication will be through the student's Husson provided email account. Returning student award letters are emailed to your Husson email account. All communication will be directed to the student.

Privacy and Security

As part of federal requirements, we may be requesting confidential information from you, such as Tax Returns and copies of W2s. In order to keep your personally identifiable information secure, you have the ability to upload your documents directly to us using your Student Portal. You can also securely fax your documents to our office at [\(207\) 992-4930](tel:2079924930). **Emailing such documents is not a secure submission method.**

Winter and Summer Session

If you will be taking winter or summer session classes please contact the Office of Financial Aid once you have registered for the classes. Please note to receive financial aid for summer classes, you must be taking at least 6 credit hours as an undergraduate, and 3 credit hours as a graduate student.

June 7, 2021 Priority Paperwork Deadline

Financial aid will not be disbursed to your student account until all required paperwork, including verification documentation, is received and processed. For your financial aid to be reflected on your June 14th billing statement, all documents listed on your financial aid offer letter must be received by June 7th. Please note that your financial aid is subject to change at any time due to a variety of factors.

For more information visit www.husson.edu/financial-aid.

Understanding Your Awards

- **Pell Grant and Federal Supplemental Opportunity Grant (FSEOG)** Federal grants awarded to students based on financial need. Your financial need has been calculated based on the cost of attendance minus your expected family contribution (EFC) from your FAFSA.
- **State Grants** If you are awarded a state grant, you will receive notification of this grant directly from your state of residence.
- **Husson Institutional Grants** These grants are offered to students based on financial need and vary from year to year. Students are not guaranteed to receive these funds every year they are enrolled. Graduate, Online, and Extended Learning students are not eligible.
- **On-Campus Residence Grant** You must reside on campus and have financial need to receive this grant. Should you decide to reside off campus, you must notify our office.
- **Federal Work-Study (FWS)** This is an eligibility to earn a bi-weekly paycheck based on the number of hours you work. Students who are not eligible for work-study may still apply for on-campus employment. For assistance in securing work-study or on-campus employment, or if you have questions, call **207.941.7083** or visit www.husson.edu/student-employment. Please note that work study funds are not credited to your student account.

Tuition Payment Plan

Education expenses are easier to pay when spread over predictable, interest-free monthly payments. This option, offered in partnership with NetNetCampusCommerce for a small fee, is an alternative to large annual or term payments and helps limit borrowing. To enroll call **1.800.609.8056** or go to mycollegepaymentplan.com. If you have questions regarding your bill, please contact the Student Accounts Office at **207.941.7150**.

Enrollment & Academic Standing

Generally, you must be enrolled at least half-time (6 credits per semester for undergraduates or 3 credits per semester for graduates) and matriculated in a degree program to be eligible for financial aid. *A change in credit hours may cause a reduction in aid eligibility.*

Most scholarships require a 2.5 GPA to maintain eligibility. Please visit www.husson.edu/scholarships for eligibility requirements.

Withdrawals

If you withdraw from school any time after the first day of classes, your financial aid will be adjusted according to federal guidelines. Withdrawal from a single course after the add-drop period will not result in an adjustment to your award as you will be billed the full cost of the class.
