

Dear Student,

As required by Maine State Law, Husson University requires all students born after December 31, 1956 to provide the following proof of immunization:

- **One (1) dose of Tetanus/Diphtheria (Td or Tdap) received within the last ten (10) years.**
- **Two (2) doses of Measles, Mumps and Rubella (MMR) received after (not on) the first birthday. If measles immunization was done prior to 1968, students must provide proof it was done with a live virus.**

Maine State law requires this information and your cooperation in supplying these documents is mandatory.

Husson University also requires proof of immunization against:

- COVID-19

It is also HIGHLY recommended that you receive vaccination against the following diseases:

- Hepatitis B
- Pertussis (Included in a Tdap vaccination)
- Varicella
- Meningococcal Quadrivalent (especially for students living in residence halls)

Please obtain copies of your immunization records and conveniently upload them via your student portal using our Upload Immunizations link, fax them to our office at 207.941.7866 or mail to:
